Payroll pay periods may change due to unforeseen circumstances. In this event, campuses will be notified.

All information must be turned into the payroll department, complete with all information & approved signatures, on or before the due to payroll date.  
Otherwise, payment will be made in the following month.

**IMPORTANT INFO:** If there are ANY changes to your personal direct deposit information (closed or changed accounts), the payroll department should be notified immediately. To allow adequate processing time, notification should be made no later than the monthly due to payroll date. The first pay check after a direct deposit change may be paid with a live check and not direct deposit. This is sometimes necessary for the banks to make the correct connections to properly deposit the funds.

Gonzales ISD has one payday each month. This is the first district business day after the 25th of the month unless early payment is authorized  
(ex. November and December when the 25th is during a holiday).
